WHO IS NARRENGOLD?

Narrengold plays folk music in the tradition of the medieval musicians. The band was founded in 2009.

WHAT DOES NARRENGOLD OFFER?

Narrengold plays at historical events (e.g., medieval fairs, renaissance fairs) on specific places (e.g., stage) or as wandering musicians. In addition, Narrengold can support mystical fire shows by adding instrumental (bagpipe) music. Dependent on the event, Narrengold can play plugged or unplugged.

Narrengold performs at wedding ceremonies or birthday parties as well.

WHAT DOES NARRENGOLD PLAY?

The band performs original compositions and own interpretations of old traditional folk songs. Narrengold places emphasis on catchy melodies with the goal to elicit fun and entertainment in the audience.

WHICH INSTRUMENTS ARE USED?

Vocals, string instruments (e.g., cister, bouzouki, mandolin, lute), bagpipes, flutes, shalms, historical drums, and bells.

HOW DOES IT SOUND?

The first LP „Allerley Weisheit“ had been released in 2011. The second LP „Mein Dudelsack is supa“ will be released in 2015. Sound and video examples can be found on Narrengold's internet presences (see CONTACT above).
